

Alexandre Oberson

Consultant

Alexandre Oberson has 9 years of experience in Corporate Communications, Public Relations and Corporate Events Organization. As a consultant at Dynamics Group from 2016, he is in charge of national and international clients, in particular in Transports, Finance, Wine & Spirit, Sports and Public Administration. He also advised for 2 years Health and Real Estate organizations.

From 2008 to 2011, he coordinated Internal Communications, Publishing and Corporate Events projects at Hospice general, the public social welfare and asylum Institution in Geneva. Then he was Head of Communications at the "Haute école de musique de Genève" before joining the local newspaper Les Nouvelles as an independent writer.

Previously, Alexandre organized varied conferences within the International Organizations in Geneva, in order to promote their missions to the high school students. In 2007, he served for 6 months as a volunteer for a Children Right NGO in Bolivia.

Alexandre received a Master's degree in Political Science from the University of Geneva and holds a Communications Planner Federal degree after studying at the Academy for Marketing and Communication (SAWI, Lausanne). He speaks French, English, German, Spanish and Portuguese.
