

Julia von Känel

Project Manager

Julia von Känel (1973) has broad experience in Media Relations, Corporate Publishing and Event Management. Prior to joining Dynamics Group Julia von Känel was working for the Zurich based family office Müller-Möhl Group as a co-ordinator for media relations and sponsoring. Further, she was responsible for web publishing. Her main topics of work included Switzerland as an education hub, young entrepreneurship and gender diversity.

Previously she worked with FDP (Swiss Liberal Party) as a Project Leader and was responsible for election campaigns and various public initiatives. From 2003 to 2004 she worked as press officer at Swisscoy for the peace-keeping operations in Kosovo (KFOR). There she was also responsible for the army newspaper and radio broadcasting.

Julia von Känel studied Sociology, Environmental Sciences and Journalism in Zurich and Munich. During her studies she was working for «Weltwoche» and for the Institute of Journalism and Media Research at the University of Zurich. She speaks German, English and French.
