

Philippe Blangey

Partner

Philippe Blangey (1972) has extensive experience in the area of business and financial communications. His main areas of expertise are capital market communications, reputation and crisis management and corporate publishing. Philippe Blangey is an advisor to Swiss private and listed companies as well as international companies connected to the Swiss financial centre. The majority of his clients are banks, investment companies and companies from the real estate, healthcare and industry sectors.

He led a consultancy specialising in investor relations and crisis communications from 2005 to 2007. Prior to that, he was Senior Consultant at a leading Swiss PR agency, mainly focused on international capital market transactions, corporate publishing and crisis communications. Philippe Blangey holds a degree from the University of Applied Sciences Zurich with a major in Communications and Marketing. He speaks German, English, and French.
