

Stephan Post

Partner

Stephan Post benefits from solid experience in the area of strategy communication consulting, comprehensive communication plan, crisis management and events management. His writing skills are often called upon by management. He is also very much involved in different sports organizations and backs the career of several professional sportsman/sportswoman.

Graduated from the "Centre Romand de Formation des Journalistes", in Lausanne (CH), Stephan Post worked for different medias in France and in the French speaking part of Switzerland, before being in charge of the marketing & communication department of several important banks in Geneva (UBS, Discount Bank, UBP). These different positions allow him to create and to organize major events such as the Children's Trophy at Geneva Arena, collecting significant benefits for sick children. In 2005, he worked as a Consultant in different companies in Geneva in the field of communication, publishing, event and public relations.
