

Jonathan Seabrook

Senior Partner

Jonathan Seabrook has a wealth of experience gained over an international career spanning 25 years in large multinational companies at Executive Committee level. His areas of expertise include: strategic brand and reputation management to create meaningful business value; capital markets advice, notably equity market positioning, strategic global investor relations and M&A; and, international public and government affairs strategy, including the development of innovative public/private partnerships to create financial, environmental and societal value. He also has extensive issue and crisis management experience across a range of matters of significant complexity in many countries with a diverse range of stakeholders.

He joined Syngenta AG in Basel in 2003 as Head of Investor Relations. From 2007 he was Head of Corporate Affairs where, as a member of the Executive Committee, he built and led a team of over 200 people in more than 30 countries responsible for all aspects of stakeholder engagement, media and social media, investor relations, sustainability, corporate responsibility, corporate brand and reputation, public and government affairs and employee engagement.

Prior to that he worked in pharmaceuticals and financial services, gaining his commercial training at Glaxo Holdings PLC. He was also a portfolio manager at NM Rothschild & Sons managing global portfolios for high net worth clients. He was Head of Investor Relations at SmithKline Beecham, with teams based in the UK and USA, and also has experience in equity capital markets at Credit Suisse and equity analysis at Bank of America, specialising in pharmaceuticals and biotechnology.

He has a First Class Honours degree in Ancient History and Latin from the University of Exeter (UK) and is a Member of the CFA Society (UK).
