

Edwin van der Geest

Senior Partner

Edwin van der Geest (1963) has worked for many years in the area of communications between entrepreneurs, companies, capital markets, media and the public. His main areas of interest include strategic advisory, reputation and crisis management, capital market communications and activities, investor relations and transaction management.

He supports numerous listed companies and their bodies in terms of positioning within the capital market and their interactions with the financial community. Additionally, he has extensive experience in the field of capital market activities, IPOs, secondaries (equity- & debt), public takeovers, shareholder activism and proxy fights. As an active investor, he is familiar with the mechanisms and requirements of the private equity industry.

Between 1998 and 2006, Edwin van der Geest was Member of the Management Team at Bellevue Asset Management AG and Partner of the Bellevue Group. He was responsible for the international sales and marketing activities of the investment companies and worked on various active investor and private equity projects of the investment bank. Prior to that, he was simultaneously in charge of communications and investor relations at Saurer AG and the fashion group Bally International. In this position he served as a personal assistant to the Entrepreneur, Dr. Ernst Thomke, with whom he was involved in several different restructuring and private equity projects. He laid the groundwork for his professional career working for communications consultancy Peter Bütikofer AG (1990–1994) as a consultant and team leader. Prior to this he completed his master's degree in History and Economics from the University of Zurich.

Language skills: German, English and Dutch
