

Samuel Brandner

Partner

Samuel Brandner (1975) advises companies and individuals in challenging situations and in their strategic positioning. He focuses his practice on corporate communications, crisis and reputation management, and capital and financial communications.

Before joining Dynamics Group, Samuel Brandner was a senior media spokesperson and communications consultant at UBS. In this role, he advised the bank's Group Executive Board on complex issues and ensured the execution of professional communications. He is familiar with national and international media and understands how large organizations work.

Samuel Brandner acquired his professional background as a consultant at Farnet Consulting AG from 2005–2011, where he supported clients in public affairs and crisis communications.
